Booklet :	stapled	170 /	100	gsm			
Insert* :	stapled	170 /	100	gsm	28		
Booklet :	stapled	170 /	100	gsm	8	16	24
Insert* :	folded**	135		gsm	10	8	6
Booklet :	Klammerheftung	170 /	100	gsm	8	16	24
Insert* :	folded**	135		gsm	10	8	6
Booklet :	folded**	135		gsm			
Insert* :	folded**	135		gsm	12		

Booklets and inserts* can only be processed mechanically if the cover is 135gsm machine-coated art paper. Environment-friendly papers are always manually assembled and packed.

* "Insert" refers to an additional booklet placed inside the box lid together with the main booklet. The same specifications apply for these "inserts" as for comparable booklets.

** Letterfold or concertina fold booklets/inserts. Mechanical assembly is only possible for those folded booklets or inserts that have a "closed spine" (see relevant specifications).
